Sir:

INFORMATION DISCLOSURE STATEMENT

Applicants again resubmit the Form PTO SB/08 filed with the Information Disclosure Statement of June 6, 2005, but not with copies of any of cited foreign patent documents since they have already been filed in this case.

On page 2 of the Information Disclosure Statement filed June 6, 2005 Applicants noted that an English-language International Search Report from the Japanese Patent Office in the PCT International application, from which this national phase U.S. application is derived, citing the seven Japanese patent documents and setting forth their relevance was enclosed.

Therefore, in accordance with the provision of M.P.E.P. § 609.04(a)III, the Examiner should have considered all of the Japanese patent documents, not just those with English Abstracts.

Consideration and acknowledgement of the enclosed Form PTO/SB/08 is,
therefore, requested.

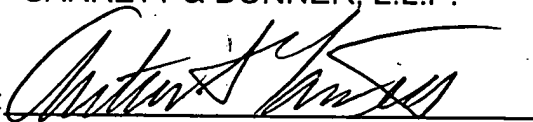

Under the circumstances, it is not believed that a fee for consideration of this
Information Disclosure Statement is necessary. In the event, applicants failed to include
the English-language Search Report in the Information Disclosure Statement filed June
6, 2005, enclosed is a copy of the Report so the Examiner can consider all of the
references cited in the attached Form PTO/SB/08. In that event, please charge the fee
required by Rule 97(c) and any others that may be required to our Deposit Account No.
06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
